

We are please to announce the release of jIO version 3.2.0.

You can download it at http://git.erp5.org/gitweb/jio.git/blob_plain/HEAD:/dist/jio-v3.2.0.min.js?js=1

This version introduce automatic synchronization conflict resolver.

Configure the storage with the "conflict_handling" parameter value:

- 0 (default): no resolution (ie, throw an Error)
- 1: keep the local state (overwrites the remote document with local content) (delete remote document if local is deleted)
- 2: keep the remote state (overwrites the local document with remote content) (delete local document if remote is deleted)
- 3: keep both copies (leave documents untouched, no signature update)
